Fred P. Sproul of Los Angeles Addresses Businessmen at Conclave

MORE FASHION SHOW PLANS

Program Will Be Given; Committee Named to Complete Arrangements

The regular meeting of the Richmond association was held last night at St. Edmund's church at Tenth and Nevins avenue. Harley Carter presided over the well-attended meeting.

An interesting program was placed before the better business committee relative to the Spring Fashion Opening to be staged here during March. H. Alberts, of the J. C. Penny Co., and E. Smith of Smith and Crane are serving as the committee in charge.

Increase of Credit
The speaker of the evening was Fred P. Sproul of the United Creditors association from Los Angeles. Sproul delivered an excellent talk and held the attention of his audience. He said in part:

"Despite the theorists who proclaim the advantages of cash business, each year sees an increase in the amount of credit business in this country, until the latest reports show that over 90 per cent of the retail business transacted in the United States today is done on a credit basis. However, it is very gratifying to note that the average retail business man of today is awakening to the fact that it lies within his power to separate the wheat from the chaff by eliminating the so-called 'dead-beat' or 'slow-pay' from his ledger."

"Webster says: 'Credit is the reputation and influence derived from the confidence of others,' and yet the average person is never concerned with merely common things, thus the atmosphere is but imperfectly understood and credit shares with atmosphere this general ignorance. Credit makes its way into every household. It spells happiness and success when properly used and unhappiness and distress when put to improper use."

Credit Not Capital
"Credit is not capital. Credit should never be used for capital. It is the instrument which gives elasticity to business. Credit cannot be manufactured. No power on earth can make a piece of paper promising payment at an indefinite time, and nothing in the world to support it, but commodities at its face value."

"Before a business or person can establish a good credit in his community, certain information should be furnished. People who are not ashamed of their past records give such information cheerfully to those who are to render the credit."

"The momentum which retail credit has reached through competition has become so great that it is apt to destroy the very foundation upon which it rests—confidence."

"And so the Merchant-Owned Credit Bureau has become the balance-wheel of credit."

Ask Permit For Cleaning Plant

The application of the M. A. Hays company for a permit for the use of the brick building at 2421 Macdonald avenue for a cleaning and dyeing plant, was last evening referred by the council to the city planning commission. It seems this business comes under the zoning ordinance and is termed as light industry.

Building Inspector L. Wierda stated he could see no objection to the establishment of the business, with the exception that it would be necessary to put a concrete floor in a part of the building, which the applicant agreed to do.

It is understood the building is to be occupied by the C. O. D. cleaners, of which M. Slesio is the proprietor.

Woman Asks Job As Oklahoma Executioner

OKLAHOMA CITY, Feb. 25.—A woman may be the next Oklahoma State executioner. "I'm willing to throw the switch connected with the electric chair at the state prison for \$50," wrote the woman, whose name Gov. M. E. Trapp refused to reveal.

"Women are not cowardly when it comes to strict enforcement of the laws," the writer asserted.

Loot Taken From Richmond Home Is Recovered

Following the arrest of Harry Martin, Canadian war veteran, of Livermore, in Berkeley Friday for burglary, most of the loot that was obtained from the home of Dr. C. W. Cole, 1 View avenue, in a recent burglary, has been recovered.

The loot, consisting mostly of silverware, was found in Martin's home and was brought here and identified by Cole. Most of the silverware has been located, but the shotgun and a large quantity of clothing is missing.

Martin was arrested on suspicion of robbing the home of J. Frank Daniel, 100 Woodmont avenue, El Cerrito, just across the county line. A watch which Martin tried to dispose of caused his arrest, after which he confessed to the Richmond and El Cerrito crimes.

When the war started Martin enlisted with the Canadian Highlanders and spent four years and seven months on the western battle front in France, according to the story he told officers. He was in the first German gas attack at Ypres and during his war services tells of being wounded nine times—once falling 3600 feet in an airplane.

He came to California some time ago he said following his arrest, and worked in various parts of the state. Last October in Sacramento he said he was in an automobile accident, and again suffered an injury to his head.

"You know I have two silver plates in my skull now," he went on, "and I am never free from pain. The accident seemed to make it worse. About two months ago I was out of work and broke and then the thing started that wound up here."

Martin has been known as the "afternoon burglar," and in his story here said that he never worked at night. He told the officers he would drive up to the front of a house in an automobile, ring the door bell, and if no one answered he would enter by use of a pass key, take what he wanted and then depart.

He said he never encountered any difficulty in opening a door, having worked for a locksmith for three years in New York.

A story of sportsmanship among thieves was told of by Martin, who said that one day while looking the H. Hibbard home in El Cerrito, another afternoon burglar entered the house through the window. They decided to cut cards to see who would have the "job," low man winning.

"I turned up a nine spot and the other fellow got a three," Martin said, "so I left the place to him."

A week ago in Oakland Martin was married to Kittle Bernice Gentry, 21, of Livermore, who had been working as a stenographer there.

"She didn't know anything of the burglaries," he said, "until I was arrested."

Much of the loot which Martin is alleged to have stolen was used to furnish up the home he had provided for her in Livermore, the officers declare.

Baseball Season To Open Saturday

Richmond High school will open its baseball season Saturday in a contest with an Alhambra nine. The game will be held at 2:30 p. m. at the First street diamond, and promises to be a good send-off for the season. The batteries for the game probably will be as follows:

Alhambra: Art Muth and Dick Austin.

Richmond: Murray Swensen, Villafranca and Bunny Muth.

MASS MEET TO SELECT POINT PARK

West Side Citizens Will Determine on Location March 6

TWO SITES ARE CONSIDERED

Women Declare Kozy Kove Would Be Suitable; Miller to Speak

Just what is to be done in regard to a park or parks on the West Side will be determined at a mass meeting of the citizens of that section to be held on the evening of March 6th at the auditorium of the Washington school. This announcement was made at the meeting of the council last night by John A. Merrill, chairman of the park and playground commission as the result of a discussion that took place, in which some of the ladies of the West Side took a part.

Miss Katherine McCracken brought the question up by urging the acquisition of Kozy Kove park, and Mrs. H. C. Stidham not only favored this place, but said there should be a second plot selected near the bath house.

It was pointed out by the speakers that the Kozy Kove site contained a beautiful grove of trees, several buildings, and a beach where the mothers could go with their children and the young people enjoy bathing. The other plot of land suggested is near the present tennis courts, and it was urged that it was not only central, but would provide a playground for the children.

John A. Miller then made a statement to the effect that the playground commission had been investigating West Side locations for a year and a half, and they had two which would be submitted to the mass meeting.

Mira Vista Park
Carrying out the suggestion made by Councilman Hartnett a week ago, the park and playground commission last evening recommended to the council that the four lots facing the proposed park in the Mira Vista section be purchased.

The report was adopted, and a warrant for \$2000 for the property was ordered drawn.

Expect Ferry To Be In Operation Within Six Weeks

Richmond people need not be surprised, it is said, if they have a San Francisco auto and passenger ferry service running within six weeks, it was announced yesterday.

Draughon and Gordon are understood to have closed negotiations for a ferryboat already built that can be put on the run with a few changes and will give considerable service while the financing is proceeding for the larger steel steamer.

Sues To Foreclose On Street Liens

Suit to foreclose street improvement bond liens on property located in Richmond has been filed in the Superior court at Martinez by Frederick Baker against H. C. Cutting Co., and others. There are thirty-five causes of action, the total sum alleged to be due amounting to \$6,304.23.

Reappoints 2 On Planning Board

At the meeting of the council last evening Mayor Scott appointed J. O. Ford and W. T. Helms as members of the city planning commission, to succeed themselves, the terms to expire in 1926.

IMPROVEMENT OF STREETS IS ORDERED

Proceedings for Widening of Standard and Garrard Aves Started

WILL AID TRAFFIC PROBLEM

Work Will Necessitate Moving Back of Number of Buildings Along Highway

Proceedings for the widening of Standard avenue from Garrard boulevard to Castro street, will be started by the city engineer and the city attorney. This was the action taken by the council at its meeting last evening.

The street at present is 60 feet in width, and on the recommendation of Carol Aronovitch, the city planning expert, it will be widened to 82 feet. The expert in a communication stated this improvement would take care of two units of standing traffic and six units of moving traffic.

The traffic has become so heavy along this thoroughfare that it is dangerous for travel at the present time, and at periods part of the traffic has to be diverted to another street.

The improvement will necessitate the moving back of a number of buildings on the street.

Brick Plant For Richmond Promised

Richmond, it is said, will have another manufacturing plant at once, with local men interested. It will be a brick and general clay products plant, and it is understood that John Gerlach will be the manager, or probably, principal owner.

Gerlach is now in Los Angeles and could not be seen to confirm the rumor. It is said that his trip there is to take the final steps toward perfecting the organization and completing the financing.

The site is a piece of land of about ten acres belonging to William Timlow, a New York stock broker and located at the eastern edge of Stege. It was formerly the site of a copper smelter. It lies along the right of way of the Southern Pacific railroad and will have a spur from the road.

The land is all suitable for brick and kindred products, being clay. It is said that borings were made all over the tract and burning tests made of the material taken out.

The building movement has resulted in a stiff demand for brick, hollow tile, roofing and other clay products and there is a good market.

ORDER STREET LIGHTS

The council last evening ordered the installation of street lights at the corner of Barrett and Dimm, Solano and Fortieth, and Thirty-third and Barrett.

Summary of Hoof, Mouth Disease Conditions Given

A summary of the quarantine placed in Contra Costa county as a result of an outbreak of the hoof and mouth disease is as follows:

All dairies quarantined; milk being used in Richmond is being brought from Oakland, where it has been pasteurized.

Fifteen hundred cows and 3500 hogs have been condemned, with health officers declaring that more will undoubtedly have to be sacrificed.

All buildings containing cattle stricken with the disease to be destroyed.

Crew of 20 experts dispatched from Washington, D. C., to aid in work of preventing spread of disease.

Milk and fresh meat shortage feared.

Auto Accessory Factory Here Held Assured

A secret trip is said to have been made to Richmond last week by a manufacturer of automobile parts who must seek a more roomy location. He was a large, prosperous, but crowded plant. This is said to be the manufacturer who announced that he would consider Richmond as a location if the new automobile ferry were assured, the cost of trucking manufactured goods to his customers in San Francisco being too great if they had to be taken by way of the Oakland ferries.

The Richmond Industrial Commission is said to have induced the inspection of Richmond and the manufacturer was accompanied on his tour of this city by party including H. A. Johnston and a representative of that commercial organization, and shown several sites that would suit him. He took a deep interest in Richmond as a location and admitted that it presented unusual advantages. E. M. Downer, the banker, is said to be personally acquainted with him and helping toward bringing him here.

The visiting manufacturer was shown the site of the slips for the new ferry and the ease with which they could be reached over Cutting boulevard from any of the railroad sites visited, with paved streets connecting. Shipments could be made to San Francisco on trucks more quickly and conveniently than they could from Emeryville, which is also being inspected by the manufacturer.

The visiting manufacturer was greatly pleased at the low price at which the Richmond sites were offered him. He will employ about 75 men when he builds his plant. His present one is housed in a structure in Golden Gate avenue and is congested with equipment.

Mrs. Uldine Ross Sues For Divorce

That her husband frequently remained away in the evenings and occasionally all night and then would return home remorseful and repentant, is a charge of Mrs. Uldine A. Ross of Richmond in a suit for divorce filed in the Superior Court at Martinez against Thomas A. Ross on grounds of extreme cruelty.

The wife alleges that this occurred two or three times monthly. She also avers that he gambled away his pay on frequent occasions and while he would purchase clothing for himself, he would not provide her or the children with proper clothes. She also charges that he would cash checks without sufficient funds in the bank much to her humiliation.

They were married in Oakland in 1921 and have two children, the complaint states. Besides a divorce the wife asks for the custody of the two children and \$40 monthly. T. N. Calfee of Richmond is attorney for the plaintiff.

GRANTED LICENSE

Louis Gottfrez of 3438 Mission street, San Francisco, was last evening granted a license as an itinerant junk peddler. The city receives \$50 per year for the privilege.

HOOF AND MOUTH DISEASE PASSES DEATH SENTENCE ON 1500 COWS, 3500 HOGS

Conditions Regarded As Serious; Milk Used in Richmond Must Be Secured From Oakland and Pasteurized; Guards Placed About Dairies

The seriousness of the hoof and mouth epidemic among the cows of the different dairies of this county was brought to the attention of the council last evening, when Dr. Blake stated that already 1500 cows and 3500 hogs had been condemned near Richmond.

The situation is regarded as so important that the health authorities at Washington have started a trainload of experts to this coast to handle the epidemic. Already the federal government through its officers on this coast have taken charge and are doing everything possible to prevent a spread of the disease.

All of the cattle will have to be killed and buried, and it is possible that the buildings will have to be burned.

The intent dairy to be affected was the Lita in San Pablo canyon, 250 cows being condemned last evening at this place.

A fresh meat shortage also is feared as a result of the outbreak of the disease, though every effort is being made to avert any danger of a shortage of this kind.

Guards have been placed about the different dairies, and no one is allowed to enter the place where the cattle are kept without the wearing of gum boots, gum coats, and rubber gloves. In addition the party must immediately take a bi-chloride bath.

Will Attend Meet Of R. R. Board On Water Rates

City Attorney D. J. Hall and City Manager J. A. McVittie were instructed by the council last evening to attend the meeting of the Railroad Commission to be held in San Francisco on the 29th of this month, at which an investigation of the reasonableness of water rates of the East Bay Water company will be conducted.

Councilman Garrard stated that of all of the Eastbay cities that Richmond was the only city that had done anything looking to the installation of larger water mains as an added fire protection. Notwithstanding the great loss suffered from fire by Berkeley, that city has not added any additional facilities.

Ethel Butler Is Granted Divorce

A divorce decree in 15 minutes was a new record established in the Superior court at Martinez yesterday morning when Ethel Butler of Richmond was granted an interlocutory decree of divorce from Lon Butler.

The action was filed by Attorney T. N. Calfee of Richmond. The case came to trial immediately and a decree was granted by Superior Judge A. B. McKenzie. The separation was asked on the grounds of extreme cruelty.

Cited For Taking Undersized Crabs

G. F. Obenland, local jeweler, of 921 Macdonald avenue, has been cited to appear before Justice of the Peace Roth to answer to a charge of taking undersized crabs. It was reported yesterday. Obenland was cited Sunday by Fish and Game Commissioner Bundock, when the officer declared he found Obenland near the Municipal Wharf with 21 undersized crabs in his possession. No date has been set as yet for the hearing.

GIVEN LICENSE

Arthur Hyslop, 1105 Laguna street, San Francisco, was last evening granted a gratuitous license to take crabs in Richmond. Hyslop stated in his petition that he had lost the light of his eyes through burns and his wife had to accompany him on his work.

Jack Hoxie Is Star in Film at Macdonald

It must have been a severe blow to Jack Hoxie's pride when he was cast for the role of a shepherd in his newest Universal starring feature, "The Man From Wyoming," which opened last night at the Macdonald theater.

Hoxie, it is said, was at one time one of the world's most famous cowboys and served the apprenticeship in the art in which he excels on a large western cattle ranch. Cattle-men have long had a bitter aversion to sheep men and although it is absurd to think that any such thought could interfere with the characterization of a motion picture star, it undoubtedly caused conversation when Hoxie was presented with the script for his picture.

He has the role of an escaped convict who had been wrongly imprisoned and to escape detection by prison authorities, becomes a sheep herder. He goes into a feud with cattle-men on a neighboring ranch through the crooked methods of his employer and several sensational range battles are waged which savor of the gun fights of the West's olden days.

The climax comes in a terrific fight between Hoxie and his employer when the young man revolts at the methods of the sheep man. Hoxie narrowly escapes lynching over a shooting scrape and is saved by the girl owner of the cattle ranch around whom the feud centered.

Despite the fact that Hoxie plays the role of a sheep herder instead of the gallant cowboy in which he became so popular, the picture is crammed with action and is filled with dramatic interest.

Hoxie is a trick horseman and to see him in a picture where he had no opportunity to do some hard riding would be a loss, which his director, Robert N. Bradbury, no doubt took into consideration.

The story is an adaptation of William MacLeod Raine's popular novel, "Wyoming."

Notwithstanding that so many divorce suits are "filed," some people still declare that they find married life exceedingly dull.

Sage and Sulphur Darkens Gray Hair

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago, the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of the mixture of other ingredients, at a small cost.

Don't stay gray! Try it. No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or wet brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Week Opera House for National Guard

The opera house in West Richmond is being sought by the newly-formed company of National Guards as an armory. New unit will be mustered into service within a month, according to word given out by Maj. Ivan Hill, acting commander of the new company. According to the present schedule drill will be held by the newly-formed organization on Wednesday nights.

Sergt. George Cornell, who is at present connected with the Howitzer company in Berkeley, will act temporarily as sergeant of the local outfit and in the meantime efforts will be made to have Cornell transferred to this company, so that he will be able to devote all of his time to the local organization.

Necessary sanction has been received by the local organization, and a sufficient number of men have been enlisted to form a company at once, but this action will be held over for a month.

Civil Service Exam April 12

An examination for the position of clerk or carrier in the post office will be held in this city April 12, 1924.

Applicants must be citizens of the United States, between the ages of 18 and 45 years on the date of the examination.

Age and height and weight requirements are waived in the case of honorably discharged soldiers, sailors and marines.

Applicants must be physically fit and male applicants must be less than 5 feet 4 inches high in bare feet and weigh not less than 125 pounds, without overcoat or hat.

For application blanks and further information relative to this examination, address

D. J. SHAW,
Local Secretary Board of U. S. Civil Service Examiners, Richmond, Calif.

Elks Plan Big Meet Here Tonight

A few hundred members of the Oakland lodge of Elks will come to the Elks lodge tonight accompanied by their band and drill team who will help the local lodge of Elks initiate a large class of candidates at the Elks hall. A large delegation will attend from the Pittsburg lodge. County officials who are members of the local lodge compose the entertainment committee for the evening.

Tucker Addresses Boys At Hi School

Boys of the Richmond High school were addressed yesterday by Principal J. K. Tucker at the regular assembly held yesterday. Short talks also were given by members of the student body. Following the regular meeting a rally was held.

THE CLASS MEETS TONIGHT. An adult Bible class, under J. R. Holtzner's leadership, began last Tuesday to meet at the First Baptist church at Tenth and Nevins. The class has been closed for three weeks because of the John Brown meetings.

The announcement, issued yesterday, was as follows: "Young people, have you made your initial visit to this class? We had almost 20 in the class Tuesday, including young people from nearly every church. Come in this evening at 7:45 and investigate."

Dance Fights Must Stop, Say Officers

MARTINEZ, Feb. 25.—After attempting to create a rough house at a dance in Concord on Saturday night, Milo B. Kane, 21, of 67 Sixth street, Oakland, was arrested and lodged in the county jail. The arrest was made by Clyde C. Laird, deputy sheriff, who states that young Kane was creating a general disturbance and endeavoring to start a fight.

Scarcely a week passes now that some disturbance is not started at dances in the county. Laird said on Monday morning, "and we are determined to put a stop to the practice. In the future every dance will be attended by an officer and arrests will follow any attempt to start a rough house."

At Elmore recently a gang fight started at a dance held there and six officers killed with a crowd of intoxicated rowdies with the result that several arrests were made.

On Monday morning Norman Brant, 19, and Joe Loehner, 21, both of this city, were fined \$25 each by Justice of the Peace F. L. Glass on charges of disturbing the peace. They were both arrested by Constable B. B. Rogers last Thursday night during a fight at the corner of Ferry and Thompson streets. According to the officers the fight started following an argument at the Chamber of Commerce dance.

In imposing the fines Judge Glass declared that such actions at dances here would not be tolerated and stated that such affairs would keep many local people from attending dances.

REPORTED ILL

J. A. Patterson, well known resident of Tapeout Park, was reported very ill last night with pneumonia, which he contracted a few days ago after being unwell for some time.

Mrs. Patterson was taken sick yesterday, due to strain and nervousness and is under the care of Dr. Vestal.

A Good Thing—DON'T MISS IT.

Send your name and address plainly written on a separate card (with this slip) to Chamberlain Medicine Co., Des Moines, Iowa, and receive in return a trial package containing Chamberlain's Cough Remedy for coughs, colds, croup, whooping cough, and tickling throat; Chamberlain's Stomach and Liver Tablets for stomach troubles, indigestion, gas, pains that prevent the heart, biliousness and constipation; Chamberlain's Salve, needed in every family for burns, scalds, wounds, piles, and skin affections; these valued family medicines for only 5 cents. Don't miss it.

Price Boosts Will Raise Assessment

Recent increases in the price of oil have brought increases in the assessment bases and will result in added revenue to oil producers and oil refining counties of the state, according to a report brought to Martinez by Assessor George O. Meese, following a meeting in Fresno of the San Joaquin Valley Assessors' association.

From an initial basis of 30 cents last year, oil this year has jumped to an initial assessment basis of 48 cents per barrel in Contra Costa, according to the assessor. The initial basis is for oil up to 30.9 gravity. Oil between 20.9 and 24.9 gravity will be assessed at 53 cents per barrel and oil over 24.9 gravity will be assessed at 58 cents per barrel. Prices adopted by other counties are 3 cents lower on each classification.

A last year's price on oil represented a reduction of 40 per cent over 1922. Due to drastic cuts in prices.

Other valuations determined upon by the assessors, virtually the same as last year's.

Wheat, \$15 per bushel; barley, \$15; rye and corn, \$17; Egyptian corn, \$20.

Barn Yard Golf Scores Given

In the Standard Oil barnyard golf tournament \$3 prizes were made in yesterday's session. Campbell, Hollenbaugh, Shay, Redman and Lilly were winners of the association's second meet. The scores during the contest were as follows:

Campbell, 37, vs. Yates, 19; Redman 37, vs. Hurler, 12; Hollenbaugh 35, Smith, 31; Lilly 35, vs. Friene, 10; Shaw 36, vs. Delph, 31. Ringers made: Campbell, 8; Redman, 10; Hollenbaugh, 6; Lilly, 4; Shaw, 6; Yates, 4; Hurler, 2; Smith, 7; Friene, 1; and Delph, 5.

TAKES OFFICE ASSISTANT

Will S. Roberson, local attorney, has secured the services of Attorney Howard Ellis of Oakland to assist him in his legal work here. On account of the great growth of business here, Roberson has found it necessary to choose a competent aid to help him in his work.

Howard, who is a graduate of the law school of the University of California, and was connected for a time with the university as an instructor in the extension department, will take up his new duties in Roberson's office today.

Announce Program For Concert

Variation will be the keynote of the program to be offered by the Richmond Symphony orchestra Thursday night, Feb. 28th, at the Richmond Junior High school auditorium. All types of music, classical, semi-classical and popular music, is all on the big program, which the local musicians will render.

The program for Thursday's musical is as follows:

- 1 Southern Rhapsody, Dedicated to the United Daughters of the Confederacy, by Lucius Hosmer.
- 2 "Lo! Here the Gentle Lark" request number, by Bishop.
- 3 "Springtime," by Minnie T. Wright.
- 4 Bacchanale, from the opera "Samson and Delilah," by C. Saint-Saens.
- 5 Suite No. 1, Valse Graciosa, by Ed. Gorman.
- 6 "A Smile Will Go a Long, Long Way," popular number, by H. Akst.
- 7 "Amour Coquet," by Rudolf Friml.
- 8 Four favorite airs, from the musical farce, "High Jinks," by Rudolf Friml.
- 9 "Star Spangled Banner."

City Cage Title At Stake Tonight

The second game of the city championship basketball series between the Certain-teed five and the Mercantile quintet will take place tonight at the Roosevelt High gym. The game was taken at the first clash of the two aggregations for the city title by the Certain-teeds, and if they duplicate the feat again tonight the cup which has been donated by Lou Schroeder will become the property of the "Roofers."

The bankers have a strong objection to this plan and will endeavor to take tonight's contest. If this happens it will be necessary to have the third game.

Local Soccer Team Defeats S. F. Squad

The Eastbay soccer team of the Sons of St. George defeated the San Francisco team of the same organization at the San Pablo playground Sunday afternoon by a score of 2 to 0.

The contest was a hard-fought battle and was very speedy to witness. No scores were made by either team until the latter part of the game, when the men from the east side of the bay penetrated the line of the San Francisco team and put over two counters.

The team from this side of the bay will clash with the Olympic club of San Francisco on Sunday in the second round of the championship at Ewing field.

Local Couple Are Honored at Party

Mr. and Mrs. Frank Lite were honored at a surprise party given them last night at their new home at 635 Seventeenth street. Games furnished the amusement for the evening, following which refreshments brought by the surprise party were served.

Among those present were: Mr. and Mrs. H. M. Yeater, Mr. and Mrs. R. A. Wells, Mr. and Mrs. R. J. Schmidt, Mr. and Mrs. J. C. Fry, and Mrs. George Imbach, Mr. and Mrs. J. P. Myers, Mr. and Mrs. Chas. Morissette, Mr. and Mrs. J. C. Clausen, Mrs. Grover Davidson, B. H. Smith, Mrs. Nellie Hylk, Misses Dorothy Clark, Alma and Ruth Yeater, Priscilla Imbach, Josephine Maffis and Dorothy Davidson.

VISITS HERE

Mrs. E. G. Nesbitt, of Colusa, is visiting in this city for a few days.

California Walnut crop for 1923 is estimated at 52,000,000 pounds.

Do It Now

Richmond People Should Not Wait Until It Is Too Late

The appalling death rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the entire map slip gradually into some serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells, if the kidney secretions are irregular or passage, do not delay. Help the kidneys at once.

Doan's Pills are especially for kidney disorders. They act where others fail. Over one hundred thousand people have recommended them. Here's a case at hand. Richmond, Cal. "I have used Doan's Kidney Pills with good results. My kidneys were weak and out of order. I had frequent dizzy headaches and the action of my kidneys was never regular. Doan's Pills were recommended to me by Mrs. E. C. Rudy, 541 Eighth St. and I used them. They soon relieved the trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Rudy had. Foster-Milburn Co., Mrs. Buffalo, N. Y.

Further Plans For Sciote Conclave

Final arrangements were made last night at the meeting of the officers of the Sciote at the Masonic hall for the installation of the new Richmond pyramid of the order on March 29, at which time delegations from all the pyramids of the bay section will meet here to install the new lodge.

The program for Thursday's musical is as follows:

1 Southern Rhapsody, Dedicated to the United Daughters of the Confederacy, by Lucius Hosmer.

2 "Lo! Here the Gentle Lark" request number, by Bishop.

3 "Springtime," by Minnie T. Wright.

4 Bacchanale, from the opera "Samson and Delilah," by C. Saint-Saens.

5 Suite No. 1, Valse Graciosa, by Ed. Gorman.

Council Condemns Frame Structure

The frame building on Richmond avenue, between Tunnel and Railroad, was last evening condemned by the council and the owner was ordered to remove it as soon as possible.

Building Inspector L. Wierda reported that the damage suffered from the recent fire was more than 60 per cent.

GIVEN SOFT DRINK PERMIT

L. F. Cowan of 1537 Macdonald avenue was granted a soft-drink permit by the council last evening, to be used in connection with the conduct of a delicatessen.

Do It Now

Richmond People Should Not Wait Until It Is Too Late

The appalling death rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the entire map slip gradually into some serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells, if the kidney secretions are irregular or passage, do not delay. Help the kidneys at once.

Doan's Pills are especially for kidney disorders. They act where others fail. Over one hundred thousand people have recommended them. Here's a case at hand. Richmond, Cal. "I have used Doan's Kidney Pills with good results. My kidneys were weak and out of order. I had frequent dizzy headaches and the action of my kidneys was never regular. Doan's Pills were recommended to me by Mrs. E. C. Rudy, 541 Eighth St. and I used them. They soon relieved the trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Rudy had. Foster-Milburn Co., Mrs. Buffalo, N. Y.

"New Disciple" At California

The late Woodrow Wilson, former president of the United States, set forth an idea in his book, "The New Freedom." John Arthur Nelson caught the idea and wrote a big American novel around it. An ingenious motion picture producer translated the story to the screen and gave the production presentation by Broadway, New York. What was the idea? The answer will be waiting at the California theater where "The New Disciple" is now playing for the last time today.

It is not like anything you have ever seen before. You cannot afford to miss this production. It is a dramatic appeal to the conscience of the American people; a two-act modern industrial dramatic masterpiece that will make you wonder and think.

"A humanly interesting romance in which two very charming lovers are introduced to the delight of the audience. Always there is that melodramatic appeal to the idealist—the New Disciple, who believes that both sides are wrong. His is a splendid study of clean, sincere manhood."

Other features on the same program: "Neal Burns in his latest glissade act, 'Busy Buddies,' showing the funny side of army life. It is a Christie comedy, 'Felix Out of Luck,' a Felix the Cat cartoon; 'Fun From the Press,' the best laughs from all the newspapers. Larry P. Canelo, at the mammoth California organ, playing the latest novelties from Jazzland."

Suffers Injuries When Motorcycle Is Overturned

Adam Weisgerber was injured recently in a motorcycle accident when he offered to bring the machine to this city from Concord for a friend. According to the word received yesterday, the owner of the machine had been injured and Weisgerber volunteered to pilot the machine, but found it impossible to stop the vehicle.

He is recovering at his home here from the results of the crash.

Leap Year Labor Program Planned

BERKELEY, Feb. 25.—Overall and storkman dresses will be the attire for students at the University of California Friday, when a Leap Year Labor Day is held on the campus.

This year's labor day will be made unusual in its object by honoring the memory of persons well known in college history, both living and dead. A redwood grove of 1100 trees will be set out in the hills back of the campus in honor of Stephen M. Prather, superintendent of national parks; Col. William B. Greeley, chief forester of the United States, and the late Franklin K. Lane, former secretary of the interior. The Leap Year Labor day, held every four years, dates back to the year 1896, when there were no gardeners who cared for the grounds and the students decided to beautify the campus. The regents of the university put the action in formal resolution, which has been carried out quadrennially.

At 7:30 a. m. Friday morning the power house whistle will give the signal for the students to proceed to the stadium, where they will be organized and tools distributed. The women of the university will prepare and serve luncheon to the men on California Field. President W. W. Campbell and W. W. Monahan, president of the A. S. U. C., will go to the newly-painted grove on horseback and conclude the day of service by each setting out two trees.

A mammoth parade will be held at 3 o'clock in which every organization will participate. The queen of Labor Day, a woman student to be elected by popular vote, will present the award for the best float and preside over the ceremonies of the day. The afternoon parade will precede the "Big C Struck," to be held in the evening.
